Pornography-Simon Stephens 2014-01-02 Pornography looks at the events of the first week of July 2005 (the G8 summit, Live 8, the announcement of the 2012 Olympics and the 7/7 bombings) through the perspectives of eight anonymous individuals, including a terrorist. The play can be performed by any number of actors with the scenes presented in any order. This flexibility means that it is ideal for student groups: containing four monologues, two duologues and fifty-two self-contained anecdotal speeches. This Student Edition offers a study of the meaning, context and performance choices available in this subtle and political play. The in-depth commentary explores the play's themes, its kaleidoscopic structure and the play's production history, looking at both the German and UK premieres. The editor, Jacqueline Bolton, incorporates previously unpublished interviews with Simon Stephens and the directors and dramaturgs associated with the early productions. The commentary reveals the play's performance possibilities, as well as discussing its accomplished form, innovative structure and compassionate impetus. It also includes a chronology of the playwright's life and work, an introduction giving the background to the play, commentary on themes, characters, language and style, notes on individual words and phrases in the text, questions for further study and bibliography and further reading.

Short Stories in German for Beginners-Olly Richards 2018-10-02 German Short Stories for Beginners is written especially for students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference). The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe

British History Seen Through Art-Gina D. B. Clemen 2001-01-01 A stimulating cross-curricular approach to British history and art. Significant events in the history of Britain are described simply and clearly. Each chapter is lavishly illustrated with works of art which cast light on periods, events and characters. Perceptive commentaries describe the works of art, and place each in its cultural context. What do Stonehenge and the Great Pyramid of Giza in Egypt have in common ? Where does the language of the Celts survive today ? Why did the Romans build a wall across northern Britain ? Where can you find a castle in the shape of a rose ? How did a " tea party " lead to a revolution ? When was the word `teenager' invented ? The answers to these questions and many more can be found in this book, which both students and teachers will enjoy. Our dedicated website www.britishhistoryart.com supports this book, and provides links to other websites on British history and art. Internet activities provided both in the book and on our dedicated website. Magnificent full-colour illustrations throughout. Historical sections recorded in full and accompanied by listening activities. PET-style exercises after each chapter, and PET-style exit test at end of book.

German Men Sit Down to Pee and Other Insights Into German Culture-MR Niklas Frank 2016-06-02 Welcome to Germany, a country where you should always wait at the red man, show up on time for your wedding, and be extremely suspicious if anyone offers you a doughnut. 'German men sit down to pee' is a tongue-in-cheek guidebook to German culture that highlights the rules Germans consciously and unconsciously follow, while trying to make a little sense of it all along the way. Why, for example, mowing your lawn on a Sunday will mean getting an earful from your neighbour, but lie naked in the middle of a public park and nobody will bat an eyelid. Ideal for anyone visiting or moving to Germany, 'German Men Sit Down to Pee' offers a collection of insights into German culture while at the same time highlighting rules and cultural norms that those visiting Germany will not only find humorous but useful for avoiding any cultural faux-pas.

501 German Verbs-Henry Strutz 2016-09-01 The most commonly used 501 German verbs are arranged alphabetically in a table format, one verb per page with English translation, and conjugated in all tenses and forms. This updated version includes an explanation of the 1999 spelling reform, providing examples of the differences between the two methods. The book's additional features include common idioms with many updated example sentences throughout the book to demonstrate verb usage and a grammar review. Bonus Online Component: includes a link to online content that presents valuable exercises for students in German sentence completion, word completion, word matching, and conversational dialogue, with answers provided for all exercises.

Geometry Makes Me Happy- 2013 The worlds of art and design have consistently depended on some elements of mathematics to provide a structure and base for their creative work. In particular, geometry is an element that has proven to be popular throughout the years, and has experienced a definite surge in popularity in recent years. Geometry Makes Me Happy celebrates the use of geometric design and art, shown in a variety of different applications. The colourful and inspiring book is divided into distinct sections, including art, photography, graphic design, illustration, industrial design, fashion, street art and interior design.

Der, Die, Das-Constantin Vayenas 2017-11-16 The challenge that English-language speakers face if they want to speak German well, is to accurately map German nouns to one of three grammatical genders: masculine, feminine or neuter. Native German speakers acquire their knowledge of the grammatical gender of German nouns from early on. They are not given formal instruction at school about matching nouns to their correct gender, and the topic is not covered in standard German grammar books. For the same reason, native speakers who give German language lessons to foreigners do not teach their students how to match nouns to their gender: One cannot teach what one has not been taught. This book fills that gap in that it explains, in plain English, the principles that map German nouns to a specific gender. This allows foreign students of German to unlock the gender of entire categories of nouns, thereby enabling students to speak German more confidently.

Penguin Reader Level 4: The Kissing Booth (ELT Graded Reader)-Beth Reekles 2020-07-30 Penguin Readers is an ELT graded reader series for learners of English as a foreign language. Each title includes carefully adapted text, new illustrations and language learning exercises. The eBook edition does not include access to additional online resources. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Visit the Penguin Readers website Exclusively with the print edition, readers can unlock online resources including a digital book, audio edition, lesson plans and answer keys. Elle has one more year of high school left, and she has never been kissed. When she decides to make a kissing booth for the school carnival, she kisses Noah, her best friend Lee's brother, and her life changes. But Noah is older than Elle, and Lee will not be happy. Will Elle listen to her head or her heart?

Pirate Curse-Kai Meyer 2007-04-10 The pirates of the Caribbean have a name for kids who can walk on water --

they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

Where Is My Little Dog? - Wo Ist Mein Kleiner Hund?-Ingo Blum 2018-06-18 This book is perfect for kids learning English or German as their second language. Includes 4 pages for coloring. Are you looking for your little dog named Bobby? Little dogs like to play, right? But sometimes, they disappear, what a shame! The search for Bobby the little dog is a delightful read-aloud. Let`s search for him! Why did he leave without his bone? Did he go to the dentist because he could not chew his bone anymore? Is he in the park chasing ducks? Where did he go? Kids will learn different places, objects, simple questions and answers, but mostly they will be more than happy when the little dog is discovered at the end. Where? Well, just read... Kids learn well through repetition, and simple language. Each line is translated into German directly below for easy comprehension. The colors and large text in this collection make learning easy and fun. The text is simple and partly repetitive, suitable for early age learning. This dual-language bedtime story is part of the series „Where is...?“ which is specifically designed to teach children new foreign words and phrases as you read to them.The book is also available in other languages. A Quick Good Night And Funny Bedtime Story. This story will capture children's interest and imagination and shall inspire a lifelong love of literature and reading.Now available: THREE more books in the series. Make sure to check them out!

Complete German-Paul Coggle 2012 By the end of the course, the learner should be at Common European Framework level (CEFR) B2, and able to interact with fluency and spontaneity, produce clear, concise conversational speech, and have a solid vocabulary.

My Father's Book-Urs Widmer 2018-02-15 In this companion to Urs Widmer's novel My Mother's Lover, the narrator is again the son who pieces together the fragments of his parents' stories. Since the age of twelve, Karl, the father, has observed the family tradition of recording his life in a single notebook, but when his book is lost soon after his death, his son resolves to rewrite it. Here, we get to know Karl's friends--a collection of anti-fascist painters and architects known as Group 33. We learn of the early years of Karl's marriage and follow his military service as the Swiss fear a German invasion during World War II, his political activity for the Communist Party, and his brief career as a teacher. Widmer brilliantly combines family history and historical events to tell the story of a man more at home in the world of the imagination than in the real world, a father who grows on the reader, just as he grows on his son.

Grammar and Vocabulary for Cambridge Advanced and Proficiency-Richard Side 2002 This preparation book for the Cambridge advanced and proficiency exams provides coverage of the structures and vocabulary essential for exam success. Grammar is presented clearly and concisely in each unit with integrated vocabulary content, and varied and challenging exercises.

Easy Ways to Enlarge Your German Vocabulary-Karl A. Schmidt 2012-04-26 DIVModern techniques for building vocabulary efficiently that build upon close relationship of German to English, as well as upon the easy and rational processes that are used in German for word formation. /div

Radical Care-Hi'ilei Hobart 2020-02-19 Care has re-entered the zeitgeist. In the aftermath of the 2016 U.S. presidential election, #selfcare exploded across media platforms. Beyond this popular focus on self-care rituals, care has also emerged as a driving force within new collective movements. Situating discussions of care within a historical trajectory of feminist, queer, and Black activism, contributors to this special issue consider how

individuals and communities receive and provide care in order to survive in environments that challenge their very existence. They explore how trans activists find resilience and vitality through coalitional labor; argue that social movements should expand mutual aid strategies, focusing on solidarity over charity; discuss a neoliberal university wellness culture that seeks to patch up structural care deficits with quick fixes like meditation apps and yoga classes; and more. As the traditionally undervalued labor of caring becomes recognized as a key element of survival, contributors show how radical care provides a roadmap for not only enduring precarious worlds but also envisioning new futures. In the face of state-sanctioned violence, economic crisis, and impending ecological collapse, collective care offers a way forward. Contributors. Nicole Charles, Elijah Adiv Edelman, Hi'ilei Hobart, Tamara Kneese, Micki McGee, Leyla Savloff, Cotten Seiler, Dean Spade

Business Ethics and Continental Philosophy-Mollie Painter-Morland 2011-10-06 Business ethics has largely been written from the perspective of analytical philosophy with very little attention paid to the work of continental philosophers. Yet although very few of these philosophers directly discuss business ethics, it is clear that their ideas have interesting applications in this field. This innovative textbook shows how the work of continental philosophers - Deleuze and Guattari, Foucault, Levinas, Bauman, Derrida, Levinas, Nietzsche, Zizek, Jonas, Sartre, Heidegger, Latour, Nancy and Sloterdijk - can provide fresh insights into a number of different issues in business ethics. Topics covered include agency, stakeholder theory, organizational culture, organizational justice, moral decision-making, leadership, whistle-blowing, corporate social responsibility, globalization and sustainability. The book includes a number of features designed to aid comprehension, including a detailed glossary of key terms, text boxes explaining key concepts, and a wide range of examples from the world of business.

Essential German Grammar: A Teach Yourself Guide-Jenny Russ 2011-04-21

How to Write About Contemporary Art-Gilda Williams 2014-10-14 An essential handbook for students and professionals on writing eloquently, accurately, and originally about contemporary art How to Write About Contemporary Art is the definitive guide to writing engagingly about the art of our time. Invaluable for students, arts professionals and other aspiring writers, the book first navigates readers through the key elements of style and content, from the aims and structure of a piece to its tone and language. Brimming with practical tips that range across the complete spectrum of art-writing, the second part of the book is organized around its specific forms, including academic essays; press releases and news articles; texts for auction and exhibition catalogues, gallery guides and wall labels; op-ed journalism and exhibition reviews; and writing for websites and blogs. In counseling the reader against common pitfalls—such as jargon and poor structure—Gilda Williams points instead to the power of close looking and research, showing how to deploy language effectively; how to develop new ideas; and how to construct compelling texts. More than 30 illustrations throughout support closely analysed case studies of the best writing, in Source Texts by 64 authors, including Claire Bishop, Thomas Crow, T.J. Demos, Okwui Enwezor, Dave Hickey, John Kelsey, Chris Kraus, Rosalind Krauss, Stuart Morgan, Hito Steyerl, and Adam Szymczyk. Supplemented by a general bibliography, advice on the use and misuse of grammar, and tips on how to construct your own contemporary art library, How to Write About Contemporary Art is the essential handbook for all those interested in communicating about the art of today.
